

**New Online Portal.** Please do not worry if you are not online nothing will change and you do not need to do anything, we are still old school and offline and our services will remain the same, we are here on Wednesdays till 2pm for you to call.

mrmilk is excited to announce our online portal which will allow our customers to log in and view their deliveries, make changes, view and pay bills and much more. Here are a few instructions to help you log in and view your account.

**PLEASE DO NOT SIGN UP AS A NEW CUSTOMER.**

This is an example email you will receive; it will include your customer information that you will need to **link** your account.

Once you have received this email and clicked [connect your existing offline account](#) to the system you will be taken to the following page to input your details included in your email. **DO NOT CREATE A NEW ACCOUNT.**

*Connect your existing offline account*

Please enter the connectivity key and connectivity token, select a username, password and enter your valid email address to link your account to the online system.

If you do not have a connectivity key and connectivity token, contact us to provide you with this information.
